Sir

With reference to your memo No L 5802 dated 2nd February 1935 re the acquisition of properties required for the improvement of Kunigal town I have the honor to forward herewith in duplicate declaration statements in English and Kannada in respect of the same and to request that sanction of Government may kindly be obtained to the acquisition of the properties and to the publication of the statements in the Gazette authorising the Assistant Commissioner in charge of the Gubbi Sub Division to take order for acquisition under the Land Acquisition Regulation

It is reported by the Sub Division Officer that out of the owners of two house properties to be acquired the owner of house No 933 has put in an objection petition stating that if his house is acquired he will have no place to dwell and that he wants a suitable site to be given to him for building purposes in exchange The Sub Division Officer states that he has inspected both the houses to be acquired that these houses are in a dilapidated condition and that they ~~about~~ abut- on the road leading to Hulivurdurga from Kunigal He further adds that the Municipal Office is situated very near to these houses and that the demolition of these houses is very necessary from a sanitary point of view to keep the space open as proposed by the Municipal Council

As regards the objection of the petitioner regarding grant of a

Sender to

separate site for building purposes the Sub Division Officer is of opinion that the petitioner may apply for the same to the Municipal Council and have it for a reasonable upset price

In the circumstances stated above, I agree with the Sub Division Officer and recommend that the acquisition of the properties in question may kindly be sanctioned

The cost of acquisition will as already reported be met from the funds of the Kunigal Town Municipal Council

The connected records are enclosed

I have the honor to be,
